

**CORPORATE SOCIAL RESPONSIBILITY POLICY  
OF  
SUNFLAG IRON & STEEL CO. LTD.,  
BHANDARA ROAD, DISTRICT: BHANDARA (MAHARASHTRA)**

**AT SUNFLAG (SISCO)** we believe that it's equally important to return back to society. We believe in growth with a human face, and pursuing people-centered development. SISCO is a socially committed organization and a socially responsible corporate citizen. It attaches great importance to discharging its overall social responsibilities to the community and the society at large where its project is located. Which is why, we believe that some of our finest achievements aren't those found in our balance sheets but those, in small villages spread around our Unit.

**SUNFLAG (SISCO)** is located at Bhandara Road, Warthi Village, in Tahsil : Mohadi. It is located at a distance of 12 kilometers from the District Town Bhandara. The Unit is surrounded by about 8 villages in the radius of 5 Kms. The Company is having its captive coal mines at Belgaon near Aathmurdi village in Chandrapur district. People of these localities are directly and indirectly associated with the Company. The Company primarily focused for the development of the resident of these localities.

**The main objective of SISCO'S CSR policy is**

- To promote preventive health care and sanitation and making available safe drinking water in the nearby localities of the plant and coal mines.
- To ensure environmental sustainability - by way of plantation and green initiation in the nearby localities of the plant and coal mines.
- To promote education and employment enhancing in the nearby localities of the plant.
- To undertake rural development projects in the nearby localities of the plant.

The above mentioned activities / programs are covered under SISCO CSR activities shall be monitor by the CSR Committee and is implementing by the delegated CSR Sub-committee.
